TRAILER ACCESSORIES

LittleBig Tarp Soft Tonneau Cover

Part No. TLK475

This LittleBig Tarp soft tonneau cover is custom designed for the 7' LittleGiant Trailer™ and the first ever with expandability (up to 24" at apex) for covering some ATVs, motorcycles, and large gear.

HexCap Hard Shell Cover

Part No. TLK482

Lightweight and tough polypropylene lid with gas shocks lift support and ten year UV rating. Domed, 18" high (42" overall interior height at apex) and weather proof. Pad lock locations provided.

Multi-Sport Base Rack

Part No. TLK499

Positions cargo like ladders, kayaks, bicycles, surf and inflatables 7" above the trailer sidewall for cargo bed access with 72" length rails for plenty of surface mount area. Compatible with after market tray mounts (1.125" round tube) and our LittleBig Tarp cover (sold separately)

Top Load Base Rack

Part No. TLK512

Our LittleGiant trailer overhead rack positions cargo like kayaks and surfboards 24" above the trailer sidewall for bed access and operation of HexCap hardshell cover. 72" length rails provide plenty of surface mount area.

Side Load Kayak Rack

Part No. TLK505

Transport your kayak, surfboards, or other gear with the side mounted, waist level, adjustable rack for convenient loading. Sold individually (one per side).

Leveler Kit - Part No. TLK444

Our leveler kit mounts to the LittleGiant trailer rear and stabilizes the trailer when off the hitch for step-in and standing support.

Marine Jack - Part No. TLK314

Height adjustable swing down Marine Trailer Jack with large, 5" caster.

D-Ring Tie Down Kits - Part No. MMP543 / MMP536

Secure gear with D-Ring Tie Downs for trailer floor and for C-Channel track. Two kit options.

Spare Tire Kits - Part No. TLK383 / TLK376

Two Spare Tires with mounting hardware kit options for A-Frame or sidewall mount locations.
