SCHOOL TRIPS 2016-17

From surfing on Nova Scotia's South Shore, to cooking lessons under the Tuscan Sun, we have a host of trips planned for day students and boarding students. Trips will be finalized based on demand; expression of interest as soon as possible is appreciated.

October 7-11 • Thanksgiving Break Surfing Trip (\$500.00)

Over Thanksgiving some of our water-loving teachers and houseparents take a group of students to the South Shore of Nova Scotia for a four-day weekend of surfing, paddleboards, kayaking, campfires on the beach, and more. This is a beautiful time of year to be by the water and get some instruction in some of Nova Scotia's favourite watersports and live the seaside life! An energizing and refreshing way to spend a weekend.

November 12-15 • November Break NYC Trip (\$2000.00)

Travel in a coach bus to New York City for a weekend packed with culture and arts, sightseeing, shopping, and feeling the beat of the Big Apple. The KES group will stay in a Manhattan hotel and spend time in popular museums (MoMa, MET, Museum of Natural History), see a show both on and off Broadway, tour Central Park, Top of the Rock, Little Italy, Chinatown, The World Trade Center Memorial Center, and much more!

January 27-31 • Mid-Term Break Quebec Ski Trip (\$1100.00)

Ski and snowboarders will love this long weekend trip to two challenging ski hills located just outside of Quebec city; Mont Sainte Anne and Le Massif. Students will stay at the ski in-ski out mountain side resort at Mont Sainte Anne, and also have the chance to take part in Quebec City's famous Winter Carnival ("Carnaval") and visit the historic neighbourhood of Vieux-Quebec. Students will also experience a morning of snow tubing or dogsledding. Ski and snowboarding lessons are available onsite at all hills and necessary for all beginner level skiers.

March 10-26 • March Break Europe Trip (\$5000.00)

Leaving March 11th, flying into Dubrovnik, Croatia. This year's European Tour will begin in Dubrovnik, Croatia. After spending a few days touring the islands, the group will move on to Venice (seeing Campo Del Ghetto, Piazza San Marco, Campanile di San Marco, Gondola Tour and Ghost Walking Tour). In Tuscany, students will tour and see the most

recognizable renaissance-era art and architecture and enjoy the local food festival, Sagre. Cooking class and open air thermal baths in the outdoor thermal springs will be other highlights in Tuscany. Students will finish the tour in Milan where they will take in a professional soccer game at San Siro Stadium, home of Italy's most famous football clubs; FC Internazionale & AC Milan.

March Break • 12 day trip Costa Rica Eco Tour (\$4500.00)

This trip is geared toward students who have a passion for fitness and yoga, and are looking for an active and challenging travel holiday. Take part in physical circuit workouts, boot camp, and yoga sessions on local beaches in the tropics, combined with zip-lining, eco tours, hiking, swimming and more.

**Please note that there will be a limited number of spaces available on this trip (15 students).*

Throughout the year we also offer trips through regular academic and athletic programming.

Travel on Long Weekends and School Breaks: Residences remain open offering meals and limited programming (day trips to the city). A weekend school trip is a great way to see new parts of the world (NS, Canada, East Coast) and get to know your teachers and fellow students a little better as well.
