

TASKI® Intellibot AEROBOT 1850™

True Vacuum

The new TASKI IntelliBot AEROBOT 1850 is a true vacuum for carpeted surfaces. With powerful motors that lift embedded dirt and debris that other systems miss, this machine helps carpets look better and last longer.

Features

- It has a new touchscreen that prompts users through the simple operating process, making it very easy to use.
- Sensors provide a 360-degree view that allow the vacuum to operate Hands-Free. Just prep, point and go!
- The large capacity vacuum bag and dual filters are easily accessible and can work a 4-hour shift without replacement.

Benefits

- The vacuum communicates with the operator and generates detailed reports including login time, end of shift and areas cleaned.
- AEROBOT 1850 is quiet, generating only 65dBA during normal operation.
- No special training is required. The icon-based touchscreen prompts users through all functions, regardless of language or skill level.

Applications

- A true vacuum for carpeted surfaces
- Ideal for retail, office, airports and hospitality
