**FOR IMMEDIATE RELEASE**

**Janus International Ranked No. 4,264 on Inc. 5000 List**

**(Temple, GA – August 22, 2008)** Janus International has been named to *Inc.* magazine's 2008 Inc. 5000 list. Janus earned the rank of number 4,264 on *Inc.*'s list of the 5,000 fastest growing private companies in America. To be eligible, companies must be U.S.-based, privately held, for profit, independent, and have been generating revenue since January 7, 2004 at the latest. The companies have been ranked according to percentage revenue growth from 2004 through 2007.

"We are honored to be included on *Inc.*'s list," says David Curtis, president of Janus International. "The list salutes companies who embrace America's entrepreneurial spirit, which has been a core value of Janus from the onset, along with offering a superior product and exceeding customer expectations."

Inc. 5000 has served as a benchmark for the most innovative, dynamic and successful companies in the nation. The list is an expansion of the Inc. 500, which was introduced in 1982, but digs deeper to offer the most comprehensive look ever at the entrepreneurial engine driving the U.S. economy. The entire Inc. 5000 list can be viewed at [www.inc.com/inc5000/](http://www.inc.com/inc5000/).
