## **Janus International Acquires Gliderol Self Storage Solutions**

### **FOR IMMEDIATE RELEASE**

**(Temple, GA – October 31, 2013)** Janus International Corporation has announced its full acquisition of Gliderol Self Storage Solutions of Peterlee, United Kingdom.

Gliderol Self Storage Solutions was founded in 2005 as a joint venture between Janus International Corp. and Gliderol UK Ltd. As the Janus customer base continues to grow internationally, providing a stronger brand in the European Union is a natural progression for the continued service to the European storage market.

“Self-storage operators throughout five continents identify with the Janus name,” states President David Curtis. “Reaffirming our commitment to the European marketplace through this acquisition will support the enduring growth of their market by utilizing decades of experience to serve self-storage investors.”

Now operating under the name Janus International Ltd, the company will continue manufacturing from its location in Peterlee, UK.
