FOR IMMEDIATE RELEASE

### **EZ Mix from RMC Brings True Portable Dispensing to Commercial Cleaning**

*December 2016, Rochester, NY,* — Rochester Midland introduces EZ Mix, a portable, easy to use dispensing capability for Rochester Midland's sustainable facility maintenance products. With EZ Mix you can quickly connect to any water supply and easily dispense sustainable cleaning and sanitation products into bottles or buckets. No measuring, mixing, or guessing. No bulky, difficult wall mounted chemical dispensers to slow down cleaning.

A complete range of Rochester Midland's 3<sup>rd</sup> party certified products are available in the new EZ Mix packaging, providing a facility manager or building service contractor with a complete, affordable and sustainable cleaning program.

Founded in 1888, Rochester Midland is a leading manufacturer of specialty chemicals for food sanitation, industrial cleaning and water treatment as well as housekeeping and restroom care programs designed for human health, safety, and the environment. RMC is a world leader in sustainable green cleaning programs for commercial and institutional facilities with over thirty 3<sup>rd</sup> party certified, biobased products and our Certified Green Housekeeping Training Program. We provide training and education programs for workers and building occupants. Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment.
