FOR IMMEDIATE RELEASE

Rochester Midland Achieves ISO 9001:2008 Certification

August 22, 2013, Rochester, NY Rochester Midland Corporation (RMC) announced it has received ISO 9001:2008 certification for its manufacturing locations in the United States. ISO 9001:2008 is an international quality management system. The certification covers operations in RMC's facilities in Riverside, CA; Montgomery, IL; Randleman, NC and worldwide headquarters in Rochester, NY.

“Achieving ISO 9001:2008 certification underscores our commitment to quality and continual improvement,” says Kathy Lindahl, Co-CEO, RMC. “ISO certification is a natural extension of our commitment to sustainability and ensures that our customers get high quality products and services. Our Canadian and UK subsidiaries are also ISO certified making it possible to provide consistent quality globally.”

RMC was independently assessed and certified by Perry Johnson Registrars, Inc. of Troy, MI.

Founded in 1888, Rochester Midland is a leading manufacturer of specialty chemicals for food sanitation, industrial cleaning and water treatment as well as housekeeping and restroom care programs. Rochester Midland is the leader in Green Housekeeping and their programs utilize third party certified, biobased cleaning products, along with education and training programs for workers and building occupants. Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment.
