

Conference Package 2016

Stonecutters Lodge is situated in the Mpumalanga Highlands between Dullstroom and Lydenburg (Mashishing) and is only 3 hours from Gauteng and 1.5 hours from Nelspruit (Mbombela) Middleburg and Witbank (eMalahleni)

As a conference venue for groups of up to twenty delegates (sharing) or 10 delegates (single) there is no better choice than Stonecutters Lodge. This upmarket, 4 Star lodge on a scenic 63 hectare property, is an ideal setting for a conference group to focus on the task at hand away from the frenetic distractions of the city. Stonecutters is owner managed and prides itself on excellent personal service. Meals at Stonecutters are exceptional. Sumptuous lunch buffets and 3- course plated dinners or relaxed braai evenings are provided.

An important feature of planning a conference at Stonecutters Lodge is the fact that delegates take over the entire lodge and enjoy exclusivity as guests at this elegant county manor. Stonecutters Lodge has achieved a B- BEE status of Level 4 and has been graded 4-stars by the SA Tourism Grading Council. (Certificates available on request).

Stone Manor is the central gathering point for the group; here the large veranda overlooks a cascade of water tumbling into an indigenous pond. The Manor consists of a beautifully appointed lounge/dining area with huge fireplace, which conveniently leads onto the conference/function room and the Cats' Whiskers pub. *A generator powers the manor house in the case of power-failure so that disruption to a conference is not a possibility.*

The Conference Room is modern with state of the art equipment: Flexible boardroom table arrangements, laptop and Wi-Fi facilities, aircon, big screen, DSTV and a ceiling mounted high definition data projector. Office facilities are available to take care of delegates' secretarial needs.

The Cats' Whiskers Pub is cosy and quaint. With original stone walls, a roaring log fire and TV for sports channels, the atmosphere ensures a great evening! Stonecutters is fully licensed and the well-stocked bar caters for all tastes from shooters to single malt whiskeys.

Both the conference room and the pub open onto a walled garden which is a great break-away area for delegates, facilitating tea breaks and smoke breaks! With flag-stones underfoot, built-in braai and umbrellas shading the tables and chairs, there is a wonderful café terrace ambience in this sheltered terrace garden.

The luxurious **Accommodation** is clustered around Stone Manor, all within walking distance: **Cobbles Studios, Trout House and Stone Cottage**. There are a total of 10 double rooms (twin or king beds) all en-suite. Two of the three bathrooms in Trout House are wheel-chair friendly. Under-carpet heating, fridges (stocked on request) quality beds and bedding – no detail has been overlooked.

Under the tuition of an expert the group will be taught casting techniques and some of the basic science of the fascinating world of fly-fishing. A competition can be organized and some great prizes or team gifts relative to this sport can be suggested.

Price: From R285 p/p using a local guide for 1.5 hours including rod hire.

From R320 p/p using an expert guide from Dullstroom. (excluding prizes)

Clay-Pigeon Shooting

This popular event is held on the lawns at Stonecutters and under the supervision of an expert, delegates shoot competitively at flying 'clays'. A group minimum of 8 delegates is required.

Photo-Chase

A Fun team event while exploring the venue.....Delegates are divided into teams.

Each team is issued with

- A site plan of the property to assist in route planning.
- A digital camera or smart phone with camera facility belonging to a team member is essential!

The guide books contain photographs taken around the property: each with a cryptic clue in the form of a four line poem. Working against the clock the teams must then proceed to take photographs identical to those in their respective guide books. Their routes will take them around the lodge property, meandering through scenic river, forest and hill locations. Photos may include members of the team or any part of their anatomy!

The team that takes the most photos in the quickest time wins the 'Shutter Speed' Award. Other awards will be for 'The Funniest photo' 'Technically the Best', etc.

Each team hands in their camera and the shots are judged by Stonecutters staff. During the evening prizes are awarded: this will be a fun event!
