### Interested in presenting at the Skin Cancer Conference?

We invite you to submit an abstract for oral or poster presentations during the conference.

The conference will offer an excellent platform to have your work peer-reviewed and recognised by fellow medical professionals. Prizes will be awarded for both the oral presentation and poster, judged by the Scientific Committee to be the best – of \$1000 plus one year's fees to cover membership of the Skin Cancer College Australasia. **Successful abstract submitters save 50% on the conference registration fee.**

Please email your submission directly to [admin@healthcert.com](mailto:admin@healthcert.com) by 30 June 2016

## REGISTER YOUR ATTENDANCE TODAY

### MASTERCLASSES

Two days of masterclasses prior to the conference with international experts, giving you the unique opportunity to hear from the world's best and walk away with skills to excel at what you do.

### CONFERENCE

The two-day conference features renowned skin cancer experts who deliver the latest clinical content on skin cancer management, bringing you up to date and stretching your thinking in this innovative field.

### ENTERTAINMENT

The social program offers a variety of networking opportunities with your peers and the presenters, and includes a Barossa Wine Tasting Masterclass as well as an exceptional Gala Dinner with special live band.

## SPEAKERS INCLUDE

The conference will feature two of the world's most influential skin cancer experts, Professor Giuseppe Argenziano (Italy) and Professor Richard Usatine (USA), amongst the significant line up of international and Australian experts to deliver the latest clinical content on skin cancer management.
