

Explore the Possibilities

Discover uses and potentials you never thought possible

Explore...

Healthcare professionals count on security, safety and accuracy every day. These attributes carry over into the products they use, and that's why they choose Relyco.

Being in control is a vital aspect of the healthcare industry, and by giving these companies the tools to print in-house, Relyco has allowed them to maintain control.

The Possibilities...

Relyco serves our healthcare clients with a variety of solutions including printable security paper, printer hardware, wristbands, waterproof paper and other specialty application printing needs.

Check out a video that's specifically geared towards your industry and explore the possibilities!

Learn about our impressive healthcare offerings and how you can use them in your unique environment

TriDura®

Tolerant to Water, Tear-Resistant Paper

Great for brochures, maps, and other important pamphlets, TriDura offers some extra durability to keep your handouts looking fresh for longer.

REVLAR® "Virtually Indestructible" Paper

Waterproof, Durable, Tear-Proof Paper for Thousands of Applications

Use REVLAR Vibrant Colors for signage and other important postings for eye catching and durable markings that will never go unnoticed. Use REVLAR paper for patient records and other secure information to ensure top of the line durability for various security reasons.

REVLAR® Waterproof Durable Labels

Low Tack Removable, Clean-Peel, Repositionable Labels and Permanent Durable Labels

Temporary or permanent REVLAR labelling solutions are great for directions to different wings, labelling private areas, as well as prescription labels.

ENDURA LABEL™

Standard, Custom, or Integrated Labels for Unique Application Requirements

Label your custom and healthcare center branded items with ENDURA LABEL for a simple solution to bring your brand to the next level.

DigiPOP® Packaging Solutions

Personalize - Print - Lift - Fold & Go!

With hundreds of templates for different DigiPOP solutions, use these fun and exciting packages as giveaways, branded merchandise, or even to just give a boost in spirits.

ULTRASEAL® Self-Mailer Pressure Seal Forms

Improve Efficiency and Reduce Waste by Eliminating the Envelope

Privacy and security is a very important part of healthcare records, so use ULTRASEAL self-mailers to send medical reports and results, schedule appointments and manage other personal information.

Blank Laser Checks

High Security Check Stock

Despite paperless trends, checks are still a vital piece of day-to-day business in any organization. Relyco has you covered with a variety of different checks, varying levels of security and fraud protection.

REIMAGE® Carbonless Paper

Cost-Effective, Environmentally-Friendly Carbonless Paper

Use this simple form as a way to gather important patient information and store it efficiently in your records.

Laser and Inkjet ID Cards

Easy-to-Use ID and Membership Products

Use these versatile forms for parking passes, wristbands, guest passes, member ID cards, and much more!

DURASEAL® Envelopes

"The Best Performing Envelope Designed for Inkjet & Laser Printers!"

Brand these envelopes with an official logo or design and your direct mail pieces will have a little extra pop to catch your recipient's eye.

About Relyco: For more than 25 years Relyco has been the premier supplier of unique and innovative paper products specifically designed for laser, digital and inkjet printers. Our products are great for thousands of applications and uses – enabling you to get the most value out of your printer investment. Understanding and meeting our clients' needs is always our first priority. Visit us at www.relyco.com or call (800) 777-7359.
