

Explore the Possibilities

Discover uses and potentials you never thought possible

Explore...

Manufacturing and shipping centers rely on efficiency and consistency to meet the high demands of their customers and vendors. With hundreds, even thousands of orders being moved each day, these centers require expertly crafted specialty paper products that work together to create a trustworthy system.

The Possibilities...

From laser and pressure seal checks for payroll processing in the front office, waterproof and durable signage for safety and manuals on the production floor, integrated form labels and printable carbonless paper for packing and shipping, to eye-catching marketing materials and custom solutions, Relyco products help keep operations running smoothly.

Check out a video that's specifically geared towards your industry and explore the possibilities!

Learn about our impressive manufacturing offerings and how you can use them in your unique environment

TriDura®

Tolerant to Water, Tear-Resistant Paper

TriDura is great for blueprints, informational forms, maps and more. Add a little bit of durability to your daily paper products to avoid tearing and add to the life of your products.

REVLAR® "Virtually Indestructible" Paper

Waterproof, Durable, Tear-Proof Paper for Thousands of Applications

Use REVLAR vibrant colors as safety signage around the warehouse - from caution signs to trash labels, REVLAR has you covered.

REVLAR® Waterproof Durable Labels

Low Tack Removable, Clean-Peel, Repositionable Labels and Permanent Durable Labels

Temporary or permanent REVLAR labeling solutions are great for barrel labels as well as other custom product labels.

ENDURA LABEL™

Standard, Custom, or Integrated Labels for Unique Application Requirements

Label your custom or company branded items with ENDURA LABEL for a simple solution to bring your brand to the next level.

DigiPOP® Packaging Solutions

Personalize - Print - Lift - Fold & Go!

With hundreds of templates for different DigiPOP solutions, use these fun and exciting packages as giveaways, branded merchandise, or even as simple product packaging solutions.

ULTRASEAL® Self-Mailer Pressure Seal Forms

Improve Efficiency and Reduce Waste by Eliminating the Envelope

Privacy and security is a very important part of running any business. Keep customer information secure, while making direct mail as simple as possible.

Blank Laser Checks

High Security Check Stock

Despite paperless trends, checks are still a vital piece of day-to-day business in any organization. Relyco has you covered with a variety of different checks with varying levels of security and fraud protection.

REIMAGE® Carbonless Paper

Cost-Effective, Environmentally-Friendly Carbonless Paper

Use this simple form to track inventory reports, maintenance forms, order requests and more.

Laser and Inkjet ID Cards

Easy-to-Use ID and Membership Products

Use these versatile forms for wristbands, parking passes, employee ID cards, visitor passes and more!

DURASEAL® Envelopes

"The Best Performing Envelope Designed for Inkjet & Laser Printers!"

Brand these envelopes with a custom logo or design when mailing to current or potential customers, and make sure your mail pieces pop.

About Relyco: For more than 25 years Relyco has been the premier supplier of unique and innovative paper products specifically designed for laser, digital and inkjet printers. Our products are great for thousands of applications and uses – enabling you to get the most value out of your printer investment. Understanding and meeting our clients' needs is always our first priority. Visit us at www.relyco.com or call (800) 777-7359.
