## Star Celebrates New Headquarters With Groundbreaking Ceremony

Brooklyn Park, MN—on April 4<sup>th</sup> 2016 at 2:00 pm Star team members will mark an important milestone in the growth of their company with the official groundbreaking ceremony of their new state-of-the-art facility located at 6688 93<sup>rd</sup> Avenue North in Brooklyn Park (construction site on corner of 93<sup>rd</sup> Avenue and N. Hampshire). Star's team of 75 employees will be in attendance along with representatives from their building design and construction teams: Ryan Companies, CBRE and Hagen, Christensen & Mcilwain Architects.

The 200,800ft facility will sit on just over 13 acres of land and include administrative space for Star's team of engineers, designers, project managers and support personnel. Expanded production and warehouse areas will allow Star to continue to offer full service face-to-face marketing solutions while maintaining space for future growth and innovation.

*"Star's new headquarters is truly an opportunity for us to create an environment that has been designed with our clients' needs in mind. It provides the unique space needed for us to best serve our clients at the high level they have come to expect, while still being able to bring that personal touch into all that we do, for both today and into the future!"* Mark Johnson, CEO, Star.

The construction completion date is scheduled for December, 2016.

### About Star

Since 1993, Star has provided powerful brand integration for their clients. A leading global marketing solutions provider, Star values a customer-centric approach, lasting partnerships, powerful strategic direction, and consistent execution. Star's comprehensive design, fabrication, installation/dismantle and property management services support event, trade show, retail fixture, corporate lobby and selling environment initiatives.
