

# Knowledge is in the air

Learning I/O is PeopleDoc's accredited learning center.

## Fly with us

At Learning I/O, we want to enable and empower our customers to increase user adoptability and ensure a maximum ROI. By providing the right session at the right time in the right format, our approach is designed to meet the needs of your learners, their scopes, environments and business needs.

## Destination Knowledge

Whatever your learning style or method, Learning I/O (LIO) offers a variety of journeys to discover our solution. From on-site or virtual group session (*Premium & First*) to individual self-paced and online program (*Autopilot*, coming soon), one of our flight plans is sure to meet you and your teams' knowledge needs. All LIO sessions offer hands-on exercises to reinforce learning.

## Always on time

Learning I/O offers learning sessions to coincide with the customer lifecycle. Starting with high-level public session (*Economy*) to become familiar with the system, to customized private HR admin session (*Business*) for the users who need to know the system in-depth, we offer you various options and levels of comfort at every step along the way. Take a seat and enjoy the view!

## Online Landscape

Because at PeopleDoc there is always something new to learn, each flight booked comes with a pass granting you 24/7 unlimited access to our online modules, both in HTML and PDF. So take your monthly, weekly or even daily dose of knowledge and keep up with all new features: our contents are updated and enhanced according to the solution releases. We told you, our solution is in the Cloud and *knowledge is in the air* 😊

## Ready to take off

Our boarding gates are open! Take a look at our flight plans online and book your flight now!
