**Delivery Requirements:**

Delivery shall be made to any VAMC within the United States and Puerto Rico upon issuance of a delivery order. Delivery shall be in accordance with the following time frames: Regular delivery shall be made within fourteen (14) calendar days after receipt of a delivery/purchase order, expedited delivery shall be within three (3) calendar days and emergency delivery shall be within twenty four (24) hours. The Government agrees to pay the difference between normal and expedited freight for expedited and emergency delivery. Any additional delivery requirements shall be specified on the individual VAMC delivery order.

**Warranty Provisions:**

**Sling Warranty: Minimum One (1) year repair/replacement**

**Lift Warranty: Minimum of 1 year warranty shall cover the entire lift, including Electric Lift motor & battery.**

**Frame has a minimum warranty of 3 years. (See below which outlines minimum warranty terms)**

- 1.) The Contractor shall warrant Patient Electric Lifts for one year minimum (1) including parts, labor, and 3 years minimum for the frame, and patient slings shall have a minimum warranty for one year (1) including parts, labor and material. All supplies furnished under this contract will be free from defects in material and workmanship and will conform to all requirements of this contract. This warranty covers all aspects of the product supplied. Normal "wear and tear" is excluded from this warranty.
- 2.) Any supplies or parts thereof corrected or furnished in replacement shall be subject to the conditions of this clause to the same extent as supplies initially delivered. This warranty shall be equal in duration to the term contractor offers in Paragraph 1 and shall run from the date of the delivery of the corrected or replaced supplies.
- 3.) When supplies are returned to the Contractor, the Contractor shall bear the transportation costs from the place of delivery specified in the delivery order to the contractor's plant and return.
- 4.) The contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- 5.) The rights and remedies of the Government provided in this clause are in addition to and do not limit any rights afforded to the Government by any other clause of the contract.
- 6.) Contractor will provide a replacement patient lift (electric) within 5 business days of notification that the lift is inoperable by the VA facility. Contractor will provide a Return Authorization (RA) to include pre-paid shipping labels and return instructions with replacement lift. Medical facilities will arrange for lift pick-up from veteran.
