My Group Account: Current Features

Account Information Page – Displays group name, group number, mailing and billing address of group, and user accounts with online access.

Billing Information Page – Provides access to billing invoices (PDF format) generated after your online setup date. Invoices will be provided online only with an email notification sent once the invoice is available for download. Pending payments are also listed here.

Enrollment Admin Page – Displays name, DOB, address, phone, email, and other plan information for all active and pending enrollments. An enrollment activity (*) indicator is placed next to new enrollments or any existing members who have had a recent plan amount update. An email notification is generated when enrollment activity occurs.

Reporting Page – Generate an excel report of all member information on the group account with or without dependent information.

Resources Page – Access to PDF documents such as the LegalShield Group Benefit Guide, W9, member payment option forms, and My Group Account website information.

Contact Us Page – LegalShield Member Services Department contact information and the Group Billing or Group Resources Department contact information.

SUMMARY

- Online access is provided through user accounts. The user accounts for each LegalShield group are defined as Plan Administrator, Authorized User, & LegalShield Associate.

USER ACCOUNTS

- **Plan Administrator** – The individual responsible for managing the group account (Payroll Director / HR Administrator). One Plan Administrator is setup for the group account.
- **Authorized Users** – Individuals are assigned by the Plan Administrator to help manage their group account. Multiple Authorized Users can be added to the group account for online access. (HR Reps, Broker, TPA, etc.)
- **LegalShield Associate** – The LegalShield servicing or designated sales agent for the group account.

- Name, email, phone, phone ext, and fax can be stored for each user account.
- LegalShield Corporate Office will setup the Plan Administrator and LegalShield Associate for each group account.
- Name and email is required for setup. Email address provided is the user login name.
- Each new user account will receive a welcome email from LegalShield with a link to create their password and login to the My Group Account website.
- Upon the initial login, each new user account will be asked to agree to LegalShield's terms of service before entering the website.

- A user account can be given access to multiple LegalShield group accounts online.
- The group accounts are linked through the email address (login name) provided.
- The User Account contact information is the same for all group accounts.
- After login, the user account is provided a list of all groups that have online access for.
- Group name, group number, effective date of group, # of employees, and last production date is displayed for all groups. Page allows user to select which group they wish to view.
- A switch group feature is available at the top of each group page to navigate between group accounts while staying logged in to the My Group Account website.

Privacy Policy @LegalShield

1. Click view to be taken to the selected group's account information page.

2. Use the search or sort columns feature to easily locate a group.

3. Select Export Group List to view listing of groups in excel file format.

- User account is setup by LegalShield Corporate Office.
- Access to view all website pages and user accounts with online access.
- Update their user account information.
- Add or remove Authorized Users.
- Update name, phone, phone ext, and fax of Authorized User.
- Update mailing and billing address for group.
- Replace themselves as Plan Administrator.

Authorized User Online Access

- User account is setup by Plan Administrator online or LegalShield Corporate Office with Plan Administrator approval.
- Access to view all website pages and user accounts with online access.
- Update their user account information.
- Update mailing and billing address for group.

LegalShield Associate Online Access

- User account is setup by LegalShield Corporate Office.
- Access to view all website pages and user accounts with online access.
- Update their user account information (phone, phone ext, and fax).
- Update mailing and billing address for group.
- Listed as LegalShield Representative on website.

- **Welcome Email** – Generated when the user account has been setup on the group to receive online access. Email notification has link to setup password and login to the My Group Account website.
- **Password Reset Email** – Generated when a user account requests to reset their password. Email is sent to the user account's email on file. Email will include a link to click and create new password. Forgot password feature is available on the My Group Account login page.
- **Multi-User Email** – Generated when a user account is setup with online access for multiple group accounts. Once the additional group accounts are added, the multi-user email is generated informing the user account that new groups have been added to their online access.

- **Billing Email** – Generated to all user accounts once the billing invoice is available for download on the website. An opt out link is available for the user account to opt out of future notifications.
- **Enrollment Activity Email** – Generated to all user accounts when new enrollment activity occurs on the group account. Email is sent once each day enrollment activity occurs. An opt out link is available for the user account to opt out of future notifications.
