

V-SERIES [PLATFORM TRAINING SYSTEMS]

World's Leading Speed & Vertical Jump Training System

The V8 and V8 EX are our leading vertical jump and speed training systems each with 8 built-in adjustable resistance bands designed for multi-point leg and arm loading. Speed training can be conducted on both models using up to 4 bands off-platform with the V8 range extending out to approximately 30 feet and the V8 EX range extending out to 60 feet.
