Power Distribution Division

Pepco specializes in switchgear, medium and high voltage projects with the knowledge and capabilities to deliver timely, complete and accurate solutions.

Our Project Managers coordinate timely deliveries and material staging with our Logistical Support Groups to ensure on-budget distribution projects.

Our Project Managers can also form a pre-construction budget analysis to better understand your needs and the appropriate resources for your project.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best for your need, extending critical resources to support your project through successful implementation.

Our workforce **efficiency** and **productivity** is consistently ranked by *Electrical Wholesaling* magazine in the top 25 distributors in the United States.
