### PRE-formance™ Flexible Pre-Fabricated Branch Wiring Assemblies

#### *Giving you the Convenience and Flexibility to Accommodate Job Site Requirements*

Contractors are continually looking for ways to improve job site efficiency and properly align skilled resources to meet tight commercial construction project deadlines. PRE-formance™ delivers the pre-engineered and pre-assembled combination of mounting method, outlet box, plaster ring, devices and leads to simplify branch wiring installation.

#### **PRE-formance pre-fabricated products delivers:**

- The ideal solution for commercial buildings with repetitive installations such as hotels, condominium, commercial and retail offices, hospitals and apartments
- Lower total cost of ownership

- Improved material handling and job site safety
- Flexibility to allow skill set allocation to match job requirements
- Elimination of job site material “piles” and inefficient searching for pieces and parts at the job site
- Reduction of overages and scrap, including expensive wire and cable
- Direct labor savings over traditional “stick-build” wiring methods for improved job site efficiency
