

V40 | EXCLUSIVE CONTENT PREVIEW

At Intuition we work hard to ensure our *Know-How* content is up-to-date with the changing needs of our clients and the markets. We deliver four updates a year which include new tutorials and updates to existing tutorials.

As a valued *Know-How* customer, Intuition is keen to help you plan ahead of quarterly updates to the *Know-How* library. The next release (Version 40), is due in July 2016 and will include 15 new pieces of course content.

The below table details the new content coming in V40.
