

## River Bend Leverages ClubPay's Innovative Human Resource and Payroll Solutions For Streamlined Back Office Functionality

## CASE STUDY

### The Company

Located in the rolling countryside of Great Falls, Virginia, River Bend Golf and Country Club is one of the premier private membership clubs in the Washington, D.C. area. Known for many years for its challenging, beautifully maintained golf course, River Bend offers a full range of recreational and social amenities including but not limited to golf, tennis, swimming, dining, catering, and event planning.

River Bend has a distinctive character. It combines excellent facilities and attentive service with a family friendly and comfortable atmosphere. That atmosphere is a direct result of the fundamental policy at River Bend since its founding in 1961, that the Club exists for the use and enjoyment of its members.

### The Challenge

River Bend Golf & Country Club's Human Resource & Payroll solutions play a critical part in managing the company's employee information. Unfortunately, River Bend's current payroll provider was unable to meet their need to streamline the functionality of payroll with an easy and user-friendly product.

River Bend realized that it was time to evaluate a new HR and Payroll system that could provide Jonas Software integration, accurate accrual reporting, journal entry uploads, as well as, provide an integrated time and attendance system.

### The Success

Having an easy to use integrated HR Payroll system, has simplified much of the HR, Benefits, and Payroll process for River Bend Golf & Country Club. These services provide River Bend with the flexibility and control needed over this part of their business. The ClubPay & River Bend Golf & Country Club relationship is built on a complete understanding of River Bend's needs. It is ClubPay's commitment to provide River Bend with the most cost effective and efficient solutions available in the market today.
