4th Source Inc. Welcomes Christopher Desautelle as Executive Vice President and Chief Financial Officer Former CFO of Metastorm brings over 25 years of experience to 4th Source.

4th Source Inc. is pleased to announce Chris Desautelle has joined as Executive Vice President, Finance and Administration, and Chief Financial Officer. Chris brings over 25 years of experience in various leadership and business transformation positions spanning the information technology field.

For the past 11 years, Chris has served as EVP and Chief Finance Officer for Metastorm in Tampa, FL. As a trusted and accomplished executive leader, Chris was part of the team that transformed Metastorm into a global leader in the Enterprise Business Process Management (BPM), Business Process Analysis (BPA), Enterprise Architecture (EA) and Integration software space. During his tenure, Metastorm grew from a BPM start-up to \$75 million profitable business via strong organic growth and through key strategic acquisitions. Mr. Desautelle was a critical member of the team that developed and implemented initiatives that delivered strong shareholder value growth, which ultimately led to the acquisition of Metastorm by Open Text Corporation. Prior to Metastorm, Mr. Desautelle held a positions with a variety of software companies, including XDB Systems and Passport Corporation, and spend over 10 years in capital markets activities including investment banking, sell- side research, and merchant banking.

“Chris is a game-changing addition for 4th Source, not only for what he brings internally to our team, but most importantly, to our customers,” said Rick McKay, CEO and President. “Chris brings unique experience and credentials as a CFO in the information technology space. I am most excited to see Chris share his personal experience as a customer with all of our current and future customers and strategic partners”. “Chris’s core competency is his ability to deliver strategic and transformational leadership across an enterprise. He has implemented dynamic change and profitable expansions at several companies throughout his career, honing his technical, business, and process improvement skills across industry verticals”, said Michael Wedge, 4th Source’s Chief Operating Officer. Chris joining 4th Source is a testament to the strength and character of Michael Wedge, Chief Operating Officer, and the leadership team he is building.
