THE PROCESS:

HIGH QUALITY DUMP TRUCK BUILD + HEAVY DUTY TMA TRUCK BUILD = THE INDUSTRY'S TOUGHEST TMA DUMP TRUCK

A TMA(Truck Mounted Attenuator) Truck is designed to save lives in your work zone. Royal's **TMA Dump Truck**, built to meet all work zone safety requirements, is intended to absorb the impact of a high (or low) speed crash, decrease damage made to the vehicle, and save workers' lives.

Using Royal's Fast-Trak System, you can quickly disconnect your attenuator, and use your Dump Truck within 5 minutes.
