Background & Selected Experience

Byron Kim graduated from East High School with academic excellence and was awarded an AP Scholar with honors. Byron is currently pursuing his Bachelor's in Biological Science at UAA after which he hopes to attend medical school and pursue a career in anesthesiology.

Byron enjoys working with students and helping them to succeed in math and science. He has previously tutored at East High School and is now continuing to help students at Frontier Tutoring.

Beyond work and academics, Byron enjoys running, hiking, and all things outdoor. He is a big basketball fan and enjoys playing the sport recreationally.
