- Information Technology Infrastructure Products (hardware, software, etc.)

Why choose Univest Capital?

STABILITY

We are part of a banking organization that has been in business since 1876 and has significant financial resources to support our wide variety of equipment financing options.

INTEGRITY

We have a straightforward approach to lending; always providing documents that are clear and easy to understand.

SERVICE

Each transaction is processed and monitored by an experienced, senior level professional who is empowered to make decisions to help you maximize sales opportunities.

FLEXIBILITY

We do not believe in a “one size fits all” mentality; we will create unique programs specific to your brand and products to support your sales efforts.

EASE OF DOING BUSINESS

We work quickly to meet your needs and provide constant feedback so you know exactly where we are in the process. Take advantage of our E-Signature Lease feature and execute your lease in a secure, timely manner.
