CASE STUDY

NATIONAL BRAND

SweetIQ Agency Solutions

CLIENT

RESOLUTION MEDIA

250+ LOCATIONS

Resolution Media needed an all-in-one, campaign focused, local marketing solution to consolidate local listings and Google My Business pages under one account, clean up errors and help drive local search performance for their client.

CAMPAIGN PARAMETERS

Creating and claiming Google My Business pages and local listings

Consolidating all listings into an easy-to-manage account

Monitoring reviews in real-time

Managing keywords and analyzing competitors

SOLUTION

SweetIQ built and claimed over 15,000 new listings for Resolution Media's client, one of Canada's largest retailers, with over 250 locations. We also optimized their Google My Business pages, corrected inaccurate NAP data across the internet and gave them the turn-key solution they needed.
