

# English for Professionals Exam

Measuring English skills for global success | For professionals

# Quickly, accurately test your professional English language communication skills in one convenient exam.

To succeed in a global business environment, you need to demonstrate an ability to effectively communicate in English with clients and other business partners. E^Pro™, the English for Professionals Exam, comprehensively tests all four pillars of the English language: speaking, listening, reading and writing skills. The exam focuses on practical English communication and specifically measures your ability to apply your English language skills in typical professional tasks and situations. E^Pro™ points out your strengths in English communication, as well as areas to improve. This knowledge will help you grow and advance in a global workplace.

A product of Pearson, the world's largest education and testing company, E^Pro™ was designed to more accurately measure your range of language abilities in a shorter and less expensive exam than other exams on the market. Results are available within 5 business days, so you can begin making a professional impact—in your business and in your career—within days instead of weeks.

You can schedule your exam at a Pearson VUE test center that is authorized to deliver E^Pro™.

# Earn the recognition you deserve in the workplace with scores that accurately represent your English language skills.

## Fast results

Because the exam is scored automatically by Pearson Knowledge Technologies' patented KAT Engine and Versant technologies, the scores are available to you within 5 business days.

## Four-skill testing

E^Pro™ tests your ability to speak, listen, read and write in English with a variety of performance-based questions. Many tasks require communicative responses that reflect typical situations in the workplace. You can be confident that your English communication skills are accurately represented by your E^Pro™ test results.

## Detailed score report

Use the E^Pro™ score report to show your employer how well you apply English in real-life professional situations like responding to emails, answering phone calls, making presentations and other customer interactions. You will receive an overall score, plus sub-scores on key communication skills such as fluency, pronunciation, word choice, sentence mastery, vocabulary, voice and tone, and reading comprehension.

## Test security

Pearson VUE's tests are administered with a high level of security, with a registration and check-in process that verifies your identity and captures a digital photo and signature. Your photo appears on your score report, so there will be no doubt to your employer that you earned the score reflected on your E^Pro™ score report.
