STORAGE

Portable and easy to relocate conex containers provide a secure, configurable solution for short and long-term needs

- STORAGE CONTAINERS
- VENTED BOXES
- PERSONNEL DOOR BOXES
- OVERHEAD DOOR BOXES
- CLIMATE CONTROLLED BOXES
- FILE ROOMS
- LIGHTED BOXES
- SHELVING BOXES
- CLIMATE CONTROLLED SHELVING BOXES

WORKSPACE

Durable, repurposed shipping containers deliver a turn-key, mobile office solution you can rely on for years to come

- OPEN OFFICES
- OPEN OFFICE PREMIUMS
- DUAL OFFICE
- DUAL OFFICE PREMIUM
- WORKPLACE BOX
- COMBINATION STORAGE / OFFICE BOXES
- LOCKER ROOM BOX

LIVING SPACE

Efficient and quick to deploy, Falcon Living Boxes provide a comfortable industrial housing solution where employees can feel safe

- FULL BATH LIVING UNITS

INDUSTRIAL

Durable, secure, and easy to transport, Falcon industrial equipment enclosures protect key equipment in tough environments

- EQUIPMENT AND CONTROLS ENCLOSURE

20FT STORAGE CONTAINER

FS-C-20DB-OT

FLEXIBLE AND AFFORDABLE STORAGE

FEATURES AND BENEFITS

- Store what's important on-site in a safe and durable space
- 160 ft² of flexible and affordable storage space
- Secure, weather-proof, and rodent-proof storage
- Heavy-duty industrial construction for long useful life
- Quick setup and relocation with no need for foundation
- Dimensions: 8.5'(H) x 8'(W) x 20'(L)

ABOUT FALCON STRUCTURES

Founded in 2003, Falcon Structures creates safe places by re-purposing shipping containers. We provide living, working, and storage solutions for a wide variety of industries including energy, construction, general industry, and the military.

40FT STORAGE CONTAINER

FS-C-40DB-OT

FLEXIBLE AND AFFORDABLE STORAGE

FEATURES AND BENEFITS

- Store what's important on-site in a safe and durable space
- 320 ft² of flexible and affordable storage space
- Secure, weather-proof, and rodent-proof storage
- Heavy-duty industrial construction for long useful life
- Quick setup and relocation with no need for foundation
- Dimensions: 8.5'(H) x 8'(W) x 40'(L)
