ABOUT THE LUNCHEON

The Tech Impact Awards Luncheon is our region's premiere technology-focused philanthropic event. It brings together a peerless audience of technology executives who are committed to sustaining and improving the lives of individuals in our community.

Last year, the Luncheon raised over \$250,000 to help 96 at-risk young adults begin careers in technology through Tech Impact's ITWorks programs. The Luncheon also supports the technology needs of hundreds of nonprofits through Tech Impact's Nonprofit Technology Services.

Please join Tech Impact's esteemed Advisory Board in celebrating the great work Tech Impact is doing in our community.

PROFILE OF ATTENDEES

Over 400 technology leaders will be in attendance, providing access to one of the largest and most diverse audiences of corporate executives and leaders in the region.

The Luncheon is hosted by Tech Impact's Advisory Board which includes senior technology executives from some of the region's largest and most respected corporations. Sponsorship levels start at \$2,500, and include a designated number of tickets to the exclusive pre-event networking reception with Tech Impact's Advisory Board.

Sponsorship provides your company with an opportunity for generous exposure to a select audience, all in support of a wonderful cause.

To view our prestigious list of Advisory Board members, please visit: <http://techimpact.org/about/advisory-board/>.

JOIN US

To register or sponsor on-line please [CLICK HERE](#) or complete the attached form. You may pay online or request to be invoiced.

To learn more about Tech Impact visit www.techimpact.org and www.itworks.org.

If you have any questions about the Luncheon, please contact Becca Johnson at 215-557-1559 x112 or becca@techimpact.org.
