## **Declaration of Conformity to RoHS and REACH**

RoHS Directive 2002/95/EC and REACH (EC) 1907/2006 Articles Compliance

To all customers,

Necal Corporation regularly reviews the materials used in the products manufactured to RoHS and REACH standards to verify and certify that its products conform to each respective standard. Material evaluation is verified through internal controls and on information supplied by each raw material supplier.

A formal Declaration of Conformance is provided upon request with each product purchased.

Sincerely,

Ed Johnson  
President
