

“**C-50**” is a concentrated, moderate foaming multi-purpose liquid alkaline degreaser. “**C-50**” works well at saponifying and emulsifying oils and fatty soils typically found in all areas of meat processing plants and restaurants including equipment, floors, walls and utensils. This product can also be used to remove petroleum oil and inorganic soils. “**C-50**” contains a proprietary blend of foaming wetting agents, emulsifiers, water-soluble solvents and water conditioning agents. This product does not contain caustic and is safe for all washable surfaces. “**C-50**” is effective in cold water.

- **Medium Foam**
- **Removes Oils, Grease & Fat**
- **Effective in Hard Water**
- **USDA & Kosher Approved**
- **Easy Rinsing**
- **Highly Concentrated**
- **Easy Rinsing**

Directions: Dilute “C-50” in a separate container according to the chart below. For best results, dilute with 140°F water. Rinse surface to be cleaned to remove any loose soils. “C-50” solution to entire surface with foam apparatus, sprayer, sponge, or brush. For best results start at the bottom of the surface and work up to the top. Allow solution to penetrate caked on soils. Some scrubbing may be necessary to remove all soils. Rinse surface from top to bottom with fresh water. Flood food contact surfaces with Quaternary Sanitizer. “C-50” can also be used in floor scrubbers and high or low-pressure spray units.

Normal Usage: 2 oz. per gallon Extremely Heavy Oils & Fat/Grease: 8-10 oz. per gallon Test for Alkalinity using “TK5050-2” Test Kit	Heavy Oils & Fat: 4 oz. per gallon
