STORMTROOPER

Fire Ant Killer With Mound Injector

STORMTROOPER is an EPA registered water based aerosol fire ant killer. Contains synergized Permethrin and Tetramethrin, which provide quick killing action and residual control for up to 4 weeks. When applied, Stormtrooper produces a dense expanding foam which penetrates deep into the mound. This dense long lasting foam increases contact time and blocks escape routes. One can treats 8 to 10 small mounds, 6 to 8 medium mounds or 4 to 6 large mounds.

- ❖ 426000001-20AR 12 - 20 oz. cans/cs., 18 oz. net wt.
- ❖ 426000001-01PK Single 20 oz. can and mound injector
