

THEY WERE TRAINED TO PROTECT OUR COUNTRY. WE'RE TRAINING THEM TO BUILD IT.

The United Association of Union Plumbers, Fitters, Welders and Service Technicians (**UA**) is leading all others in skilled training and job placement for America's veterans through its award-winning **Veterans In Piping (VIP) program**. This 18-week training course is putting hundreds of veterans back to work, teaching them marketable skills and offering them solid career paths. The program has been commended by top military officials.
