

PowerMate®

StairClimbing HandTrucks

Typical Customer Comments :

"We purchased several PowerMate Stairclimbers...They have proven to be effective tools in moving our equipment. They are used daily and our people use them with confidence more than any other we have used... we know these PowerMates will serve us for years to come."

Pepsi-Cola General Bottlers, Inc.

"We have been using the PowerMate power cart in some installations of Video Lottery terminals... This unit has proven to be ideal when used to transport our 250 lb terminals up or down stairs... We have since purchased 4 more of the L-1 power cart..."

Atlantic Lottery Corporation

"Purchasing the PowerMate stair crawler was a smart move for our company. Our men have used various types of moving equipment, but this one is quieter smoother and easier to operate...Thank you for recommending this unit to us, it has saved us time and money."

PowerMate®

Savings Analysis..

FOR MOVING VENDING / GAMING / ATM / SODA, CHANGE MACHINES / COFFEE DISPENSERS, ETC.

ESTIMATED:

4 Men per move, 3 Hours per installation
\$14/hr labor rate, 25 Moves per month

Current Method:	PowerMate Method:
Cost of labor per month = 4 men x 3 hours x 25 moves = 4 (\$14) x 3 x 25 = \$4,200	Cost of labor per month = 2 men x 3 hours x 25 moves = 2 (\$14) x 3 x 25 = \$2,100

Monthly savings using a
PowerMate = \$2,100.00

**Total Annual Savings
= \$ 25,200.00**
