YOUR PEDISPIN

The Vanity Planet PediSpin is a full-service pedicure system that will have your feet feeling fresh. Designed for both men and women, this device effortlessly cleans deep to remove dirt, calluses, and dead skin. The Hard Bristle Brush attachment primes your foot skin by clearing off any dirt. Then the Pumice Stone helps exfoliate rough patches by removing dead skin. Once your feet are dry, the Callus Shaver takes care of thicker calluses, while the Buffing Pad finishes off the work by leaving your skin silky and soft. From cleaning to buffing, this device provides all the necessary tools to add a little pep to your step.

This system is lightweight and battery operated, making it completely portable to use at your convenience. Easily switch between the different attachments without hassle. As a professional-caliber device, the PediSpin pampers your feet and leaves skin so soft and smooth that you'll want to show them off from heel to toe.

USING YOUR PEDISPIN

- Before using the PediSpin, remove any existing eye makeup.
- Wet your skin and the brush head with warm water.
- Apply cleanser to your skin or directly to the brush head.
- Push the on/off button to turn on the PediSpin.
- Gently move the brush head in small circular motions around the area you are cleansing.
- Push the on/off button again when finished to turn off the PediSpin.

Note: The Hard Bristle Brush and the Pumice Stone are to be used in the shower or with water and soap. The Callus Shaver and the Buffing Pads are NOT to be used in the shower; feet do not need to be damp prior to use.

INSERTING THE BATTERIES

For maximum run time, we recommend using alkaline batteries. Use one hand to hold the device and the other hand to hold the battery cap. With your thumb at the “open” mark, pull the cap off. Insert 4 AA batteries in alignment with the polarity symbols (+ / -) indicated on the unit. Then replace the battery cap and you're ready to spin.

IMPORTANT SAFEGUARDS & WARNINGS

If you are under a doctor's care for any skin condition or if you think you may have a skin condition, please consult your physician before using the Vanity Planet PediSpin. To ensure that you experience the full range of benefits from the Vanity Planet PediSpin we recommend the following:

- Do not share brush heads with anyone.
- Use the Hard Bristle Brush with a gentle daily cleanser designed for the feet or body.
- Do not use jagged exfoliating particles, such as shells, with the PediSpin.
- If you would like to use with an exfoliating product, use one that contains soft, rounded particles.
- Change your brush heads every two to three months.

CARING FOR YOUR PEDISPIN

To keep your PediSpin in optimum condition, do not use abrasive cleaners or chemicals to clean any part of the unit. The handle is sealed and fully waterproof. However, you should not submerge any part of the Vanity Planet PediSpin under water.

CLEANING THE HANDLE

- To remove any residue or buildup, clean the handle at least once a week by removing the brush head and washing the device thoroughly with soapy water.
- Never attempt to open the brush handle for any reason.

CLEANING THE BRUSH HEADS

- Rinse the Hard Bristle Brush and the Pumice Stone heads thoroughly after every use.
- Wipe down the Callus Shaver and the Buffing Pad with a cloth after every use.

HARD BRISTLE BRUSH

The Hard Bristle Brush is made of extra strength Dupont bristles that are specially designed to remove dirt particles and cleanse the bottoms of feet. For best results, always use with soap or shower gel and water.

PUMICE STONE

The Pumice Stone is designed to effectively eradicate dry skin and stains from your feet. It is intended to soften any rough patches of skin. Use soap or shower gel and water if desired.

CALLUS SHAVER

The Callus Shaver is a unique tool that uses stainless steel to painlessly eliminate thicker calluses. A built-in tray catches dandruff so there's no mess. Do not use this attachment in the shower.

BUFFING PAD

The Buffing Pad refines and buffs the soles of your feet making them smooth to the touch. This attachment is the perfect ending to your foot care regimen and come with two refills. Do not use this head in the shower.
