Scalp Massaging Shampoo Brush

Directions For Use

Press the "On/Off" button to activate your Vitagoods Waterproof Scalp Massager. Hold the massager in the palm of your hand with the soft rubber tubes facing away from your palm, let the handle rest between your fingers for a firmer grip and better control. Gently rub the soft rubber tips on your scalp as desired. When finished, press the "On/Off" button again to deactivate your Scalp Massager.
