YOUR PERFECT HOOK

The Perfect Hook provides clean and safe storage for your favorite face brush. Don't get hung up dealing with clutter, instead, hang up your Spin for Perfect Skin in the name of convenience. The Strong Vacuum Suction is designed to hold up to 10kg, and its eco-friendly construction is rust proof, so it's a great fit for your bathroom. With its easy install, you'll be ready to store and dry your S4PS in no time. You'll wonder why your Spin for Perfect Skin wasn't perched up there sooner!

USING YOUR PERFECT HOOK

- Clean the rubber on the hook's fixture and the surface of an even, smooth wall.
- Make sure to avoid grout lines, edges, painted areas, and matte surfaces.
- Dry both the rubber and the wall.
- Loosen the rubber base to its flat position by turning the knob counter-clockwise (see right diagram A), making sure the base is not concave (see right diagram B).
- Press it firmly against the wall, pushing against the knob to exhaust air.
- Press the cap against the wall.
- Twist the knob clockwise, tightening until locked (see right diagram C).

NOTES & WARNINGS

- Do not use on porous surfaces.
- Do not use to store glass items.
- Do not overload: 5kg max. in normal usage.
- Do not twist the knob after it fully tightens.
