

PREPARE TO DOMINATE YOUR INDUSTRY

Put your business on the road to growth

Scaling Up Business Growth Workshop > Take your leadership team and your business higher

Wednesday, November 11, 2015
The Hotel At Kirkwood Center
7725 Kirkwood Blvd. SW
Cedar Rapids, IA 52404

Scaling Up is very applicable, even if you have a small, but fast growing company. This year we will be growing from 1 to 6 countries with about 25 staff which would not have happened without your book. It's like Hogwarts school for entrepreneurs (which makes Verne professor Dumbledore!). The thing I like most about it is that it helps the 'geek' generation learn about strategy and execution quickly and clearly. Scaling Up has been an indispensable help for us, thanks a lot for that.

"We've been working with Doug for three years and it's no coincidence that our bottom line has been enhanced over those three years. Hundreds of thousands of dollars, each year a record year on top of that, and for three straight years we have been a Miller-Coors President's award winner. Going to this workshop, it's extremely important. You need to take a couple steps back from time to time to look at how you are going to go forward."
