Valogix LLC Announces Exhibitor Sponsorship of NetSuite SuiteWorld 2015

Saratoga Springs, NY, April 28, 2015 – Valogix LLC today announced its sponsorship of SuiteWorld 2015, NetSuite’s annual user conference for customers, partners, and industry luminaries , being held May 4–7 in San Jose, Calif. NetSuite is the industry's leading provider of [cloud](#)-based financials / [ERP](#) and [omnichannel commerce](#) software suites. NetSuite’s SuiteWorld 2015 conference is slated to be the largest-ever gathering of the fast-growing NetSuite community, with an expected 7,200 attendees coming together to inspire, connect with one another and to share business transformation best practices for getting the most out of the world's leading cloud business management suite.

“We are excited to be a continuing part of NetSuite’s annual user conference,” said Tom Glacken, Sr. VP for Sales & Marketing of Valogix. “We have participated as a sponsor since their first conference with outstanding results. This is a great opportunity for us to meet with NetSuite users and partners, and showcase our latest SaaS solution for inventory planning and optimization.”

Valogix solves the most complex inventory challenges with easy-to-use, affordable inventory planning and optimization solutions. SuiteWorld attendees will get a first-hand demonstration of the ‘**Built for NetSuite**’ verified VALOGIX® Inventory Planner SuiteApp, which automates the entire planning process from forecasting to replenishment to optimization and helps companies reduce costs, increase productivity and offer a very quick ROI.

Benefits Valogix customers can achieve include:

- Reduced inventory
- Increased productivity
- Reduced stock outs and overstocks, shipping costs and lost sales
- Increased sales by having the stock on hand
- Improved customer satisfaction levels

To learn more, visit us at **booth 309** in the SuiteWorld Expo at the San Jose Convention Center. For information about Built for NetSuite, a program for NetSuite SuiteCloud Developer Network (SDN) partners that provides them with information, resources and a method to verify that their applications and integrations, built using the NetSuite SuiteCloud Computing Platform, meet NetSuite’s standards and best practices, please visit www.netsuite.com/BuiltforNetSuite. About SuiteWorld 2015

SuiteWorld is NetSuite's annual conference, being held at the San Jose Convention Center in San Jose, Calif. on May 4 - 7 for customers, users, partners, developers, media and industry analysts. Attendees of SuiteWorld join the full strength of the NetSuite ecosystem to learn and explore, network face-to-face, and help shape the next evolution of cloud computing services.

Today, approximately 24,000 companies and subsidiaries depend on NetSuite to run complex, mission-critical business processes globally in the cloud. Since its inception in 1998, NetSuite has established itself as the leading provider of enterprise-class cloud ERP suites for divisions of large enterprises and mid-sized organizations seeking to upgrade their antiquated client/server ERP systems. NetSuite continues its success in delivering the best cloud ERP/financial suites to businesses around the world, enabling them to lower IT costs significantly while increasing productivity, as the global adoption of the cloud accelerates.
