

TRIDENT CASE ADVANTAGES

The Adaptive Modular System is a 3-in-1 upgradable case, that transforms the light-duty Perseus into the heavy-duty Kraken. Detach the media stand to incorporate Kraken A.M.S. accessories.

Trident Case bio-enhanced plastic based products are degradable, compostable and recyclable. Trident Case bio-enhanced plastic degrades in approximately 25 years.

Over the past 2 years Trident Case has invested in the infrastructure and resources necessary to manufacture its tough cases, with style, in the USA.

Represent your favorite sports team, or show your school spirit. With up to 81 different color combinations, it is easy to give the A.M.S. case a personal look and feel!

Kraken A.M.S. and Cyclops meets Military Standard MIL-STD-810F. Tested by an independent laboratory.

Trident Case supports a broad range of devices from manufacturers including Apple®, Samsung®, HTC®, Motorola®, and more. Over 100 devices covered!

Trident Case offers six series of protective carrying solutions, providing one, two, or three layers of protection. Use all three layers for maximum protection.

Trident Case protects the most devices in a wide variety of color options! Each Trident Case is available in a minimum of five different color combinations.

All Trident Case products come standard with a One Year Limited Warranty. Receive free shipping, within the United States, when you purchase from www.tridentcase.com.
