ADVANTAGES // WHY CHOOSE TRIDENT CASE?

KRAKEN A.M.S. SERIES™

The Adaptive Modular System is a 3-in-1 upgradable case, that transforms the light-duty Perseus into the heavy-duty Kraken. Detach the media stand to incorporate Kraken A.M.S. accessories.

Trident Case offers six series of protective carrying solutions, providing one, two, or three layers of protection. Use all three layers for maximum protection.

RECYCLABLE • DEGRADABLE • COMPOSTABLE

Trident Case bio-enhanced plastic based products are degradable, compostable and recyclable. Trident Case bio-enhanced plastic degrades in approximately 25 years.

Over the past 2 years Trident Case has invested in the infrastructure and resources necessary to manufacture its tough cases, with style, in the USA.

BUILD YOUR OWN CASE

Represent your favorite sports team, or show your school spirit. With over 40 different color combinations, it is easy to give the A.M.S. case a personal look and feel!

Kraken A.M.S. and Cyclops meets Military Standard MIL-STD-810F. Tested by an independent laboratory.

Trident Case protects the most devices in a wide variety of color options! Each Trident Case is available in a minimum of five different color combinations.

Trident Case supports a broad range of devices from manufacturers including Apple®, Samsung®, HTC®, Motorola®, and more. Over 100 devices covered!

KRAKEN A.M.S. SERIES™

ADAPTS TO YOUR LIFESTYLE

The A.M.S. is an upgradable case that transforms the light-duty Perseus to the heavy-duty Kraken series. It comes with a detachable stand, allowing A.M.S. attachments to be used for both casual and rugged activities.

Each accessory is specifically designed to accommodate a certain activity. A.M.S. attachments adapt to your phone to fit your lifestyle.

Represent your favorite sports team, show your school spirit or just choose a different color for each day of the week. With more than 40 different color combinations, it is easy to give the A.M.S. case a personal look and feel.

KRAKEN A.M.S. FEATURES

- Bio-enhanced hardened polycarbonate shell
- Shock-absorbing silicone
- Double-padded TPE corners
- Built-in screen protector¹
- Self-applicable screen protector²
- TPE plugs over audio and power ports
- Belt clip holster and removable media stand
- Keychain or charm attachment¹
- 3.5mm audio jack extender²
- 3-in-1 case
- Meets Military Standard MIL-STD-810 (Independently Tested)

BUILD YOUR OWN CASE

Step 1

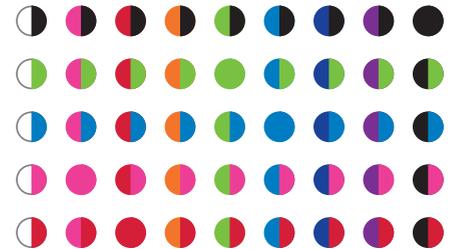

Choose a Perseus A.M.S.

Step 2

Select a Kraken A.M.S. Exoskeleton

Step 3

Add a Kraken A.M.S. attachment that fits your lifestyle

¹Most models. ²Select models.

WAYS TO USE YOUR A.M.S. CASE

OPTION 1

Silicone Cover - Perseus Case

Perseus can be used as a stand-alone case for casual settings.

A.M.S. compatible Perseus cases can be upgraded to a Kraken A.M.S. with the purchase of our interchangeable exoskeleton cases.

OPTION 2

Exoskeleton Front & Perseus Case

Use the front exoskeleton along with the Perseus case for an added layer of protection.

OPTION 3

Exoskeleton Front & Back

Use all three A.M.S. components for maximum protection.

CYCLOPSSERIES™

BRUTE STRENGTH

Cyclops cases feature dual-injected TPE and polycarbonate for outstanding protection against drops and other impacts. If you want protection similar to the Kraken, but want to minimize the added bulk, this is the case for you.

Each model is available in a minimum of five different color combinations. The outside polycarbonate makes it slip in and out of pockets with ease. It includes dust covers over microphone and speaker bays, and TPE plugs over port openings, to keep out dirt and debris.

CYCLOPS FEATURES

- Dual-injected TPE and polycarbonate¹
- Hardened polycarbonate²
- Shock-absorbing silicone²
- Built-in screen protector
- Dust filters over microphone and speaker bays¹
- TPE plugs over port openings¹
- Anti-skid design¹
- Charm attachment¹
- Meets Military Standard MIL-STD-810 (Independently Tested)

Available Colors

AEGISSERIES®

SLEEK ARMOR

Aegis cases offer outstanding protection against drops and other impacts in a slimmer form than the Kraken A.M.S. It has an inner-layer of shock-absorbing silicone with an outer-layer of hardened polycarbonate. This makes the case slide in and out of pockets with ease.

Each model is available in a minimum of five different color combinations. These cases also feature silicone plugs over port openings and have a self-applicable screen protector.

AEGIS FEATURES

- Shock-absorbing silicone lining¹
- Dual-textured polycarbonate with high gloss finish¹
- Self-applicable screen protector
- Dust filters over microphone and speaker bays¹
- Silicone plugs over port openings
- Anti-skid design¹
- Charm attachment¹
- Meets Military Standard Mil-STD-810 for drop and vibration protection

Proudly
MADE IN THE USA

Trident Manufacturing is located in:
RANCHO CUCAMONGA, CA
and is responsible for making
Trident Case products in the
USA

Trident Manufacturing's facility contains the:

to manufacture and assemble Trident Case products in the USA.

TRIDENT CASE
WILL CONTINUE TO
MANUFACTURE ITS
PRODUCTS IN CHINA,
AS WELL AS THE USA.

Which Products?

Kraken A.M.S. cases for the New iPad/iPad with Retina Display/iPad 2, Aegis cases for the Google Nexus 7, Aegis cases for the iPad Mini, Aegis cases for the Apple iPhone 5, and more!

Packaging

Made in the USA packaging will contain our Proudly Made in the USA logo.

RAW MATERIAL

All raw materials are Made in the USA, except the raw materials for the dust filter and screen protector. Although these raw materials are imported, they are manufactured and assembled in the USA.

OUR SOLUTION

- Bio-enhanced plastic that is degradable, compostable and recyclable, and can be created with POST or PRE consumer plastics.

WHICH PRODUCTS?

- All of our plastic based products will be bio-enhanced, including Kraken A.M.S. Exoskeletons as well as the polycarbonate shells for Aegis, Cyclops and Apollo cases. Eventually, our TPE material will be also bio-enhanced.

FASTER DEGRADATION

- Rather than degrading in a landfill over 500 to 1000 years into a toxic byproduct, our bio-enhanced plastic degrades in approximately 25 years into carbon dioxide, water and methane.

TESTED AND APPROVED

- The bio-enhanced plastic is tested under approved ASTM, and certified by an independent laboratory.

TRIDENT CASE
BIO-ENHANCED
RESIN IS

- THE
- STRENGTH
 - APPEARANCE
 - INTEGRITY

OF OUR BIO-ENHANCED CASES ARE THE SAME AS OUR
STANDARD CASES WITH NO INCREASE IN PRICE!
