

# Koopman Lumber Hosts EPA RRP Training On 6/28/10

**Deadline to Register 6/25/2010**

**TIME HAS RUN OUT, DON'T WAIT TO BECOME CERTIFIED**

**The EPA Renovate, Repair and Painting Rule went into effect on 4/22/2010.** Named 40 CFR Part 745, this law requires that renovations performed for compensation on pre-1978 homes, must be done by EPA Certified Firms using Certified Renovators. This includes contractors as well as landlords and property managers. **The fines for non compliance are up to \$37,500 per violation.** Firms seeking certification must apply to the EPA and pay a fee. Contractors and others who work on pre-1978 homes, seeking to become a Certified Renovator must successfully complete the EPA approved renovator course. This 1 day 8 hour course explains how to comply with the EPA RRP Rule.
