Did you know the MA Residential building Code (1&2 Family Dwellings) is now based on the International Residential Code PLUS Mass Amendments?

To help you prepare for the changes to the MA State Building Code, EM NARI is offering this informative session with Mike Guigli of the Board of Regulations and Standards (BBRS) which oversees promulgation of the MA State Building code (780CMR).

The BBRS announced that the 8th Edition MA Residential Code is effective as of February 4, 2011. The 7th Edition residential code will remain in effect concurrently with the new 8th edition until August 4, 2011. After August 4, the 8th Edition will be the code to use exclusively.
