

Gold of the Desert Kings

Convert activity into productivity and maximize results!

THE EXPERIENCE

There's gold in the mountains, and it can be yours – if you can negotiate the hazardous desert that lies in its way. This interactive learning adventure will challenge you to work together as a prepared, organized and focused team, because competition is fierce and the clock is ticking. With pressures and limitations bearing down, you and your fellow adventurers must cross the vast and perilous desert, collect as much gold as possible and return home safely, and you'll need to get the most from every moment and decision in order to survive and succeed. Be transformed from an armchair tourist into a motivated explorer; discover the direct impact of planning, preparation and execution; eliminate the frustration of wasted activity and convert it into results-generating productivity – this is the real Gold of the Desert Kings.

BUSINESS IMPACT

Participants will learn to:

- Differentiate between activity that moves you away from your goal and productivity that moves you closer
- Ask "What's Possible?" instead of "What's Required?" to break through your perceived limitations
- Plan, prepare and execute – never losing sight of the objective – to deliver maximized productivity and results
- Obtain, evaluate and apply information, adjusting your plan to contend with pressure and surprises
- Permanently adopt a strategic mindset for any challenge; develop lasting habits of focused productivity
