

LIVING **LEADERSHIP**™

Today's actions deliver tomorrow's vision

BUSINESS ISSUE

As a leader, you may have a brilliant strategy for delivering on organizational imperatives, but you won't get there without the ability to execute that strategy effectively. Executional Excellence is a systematic approach to consistently converting strategy to reality by managing day-to-day actions aligned with long-term strategy. With practice over time, the Sterling Silver Cord™ model—encompassing Strategy, Plans, Checkpoints, Innovation and Tactics—will allow you to break down your initiatives into clear-cut, logical stages and perform at a consistent level of excellence throughout.

LEARNING OUTCOMES

You will learn to:

- Dissect strategy into its actionable steps, leading to easily executable tactics
- Maintain focus—even on multiple objectives—and momentum, plan for contingencies and assign resources for their utmost impact
- Monitor and correct progress via analytical checkpoints; implement innovative thinking and critical problem-solving
- Increase total team involvement and contribution to large or overwhelming goals
- Develop a reputation for delivering on, and exceeding, your promised outcomes

THE LEARNER EXPERIENCE

- Multi-format approach: discussion, case studies, customizable experiential activities, video and action planning
- Systems, tools, techniques and approaches for transforming strategy into executable tactics, easily implemented by all team members
- Intense practice on each node of the program's core model, The Sterling Silver Cord™
- Development of judicious understanding of how to adapt Executional Excellence's system for all durations and complexities of projects and objectives
- Application of all principles to participants' on-the-job initiatives
