### **Your Care Benefits**

### **Medicare Part A Hospital Coverage**

The Forethought® Standard Medicare Supplement Plan pays the \$1,132 Part A (inpatient) deductible for Plans B, C, F, G and N for each benefit period.

**First 60 days** – After the Part A deductible, Medicare pays all eligible expenses for services from your first through 60th day of hospital confinement. Services include semi-private room and board, general nursing and miscellaneous hospital services and supplies.

**Coinsurance** – Plans A, B, C, F, G and N pay \$283 a day when you are hospitalized from the 61st day through the 90th day. When you are hospitalized from the 91st day through the 150th day, the Plans pay \$566 a day for each Lifetime Reserve day used.

**Extended hospital coverage** – If you are in the hospital longer than 150 days during a benefit period and you have exhausted your 60 days of Medicare lifetime reserve, Plans A, B, C, F, G and N pay the Part A Medicare eligible expenses for hospitalization, paid at the Diagnostic Related Group (DRG) day outlier per diem or other appropriate standard of payment, subject to a lifetime maximum benefit of an additional 365 days.

**Benefit for blood** – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Plans A, B, C, F, G and N pay the deductible.

**Skilled nursing facility care** – Medicare pays all eligible expenses for the first 20 days.

**Coinsurance** – Plans C, F, G and N pay up to \$141.50 from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare certified skilled nursing facility within 30 days of being hospitalized for at least three days.

**Hospice care benefit** – Plans A, B, C, F, G and N pay the copayment/coinsurance amount for all Part A Medicare eligible hospice care and respite care expenses.

### Medicare Part B Physician Services and Supplies

**Deductible** – Plans C and F pay the \$162 calendaryear deductible.

**Coinsurance** – After the Part B deductible, Plans A, B, C, F and G generally pay 20% of eligible expenses for physician's services, supplies, physical and speech therapy, and ambulance service.

After the Part B deductible, Plan N generally pays 20% of the eligible expenses for physician's services, supplies, physical and speech therapy, and ambulance services except up to a \$20 copayment for office visits and up to a \$50 copayment for emergency room visits.

For hospital outpatient services, the copayment amount will be paid under a prospective payment system. If this system is not used, then generally 20% of eligible expenses will be paid.

**Excess benefits** – Your bill for Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Plan F and G will pay 100% up to the charge limitation established by Medicare.

**Benefit for blood** – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Plans A, B, C, F, G and N pay the deductible.

### SECTION 8 - SIGNATURES - PLEASE READ AND SIGN BELOW

### IMPORTANT STATEMENTS TO BE READ BY APPLICANT IF PURCHASING MEDICARE SUPPLEMENT INSURANCE COVERAGE

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

I understand that Forethought may obtain an investigative consumer report on me and a telephone interview may be necessary to verify or supplement information given on this application. I understand that it is my right to request to be interviewed and that I may request a copy of the report if no personal interview is conducted. A photocopy of this form will be as valid as the original. This Authorization and Acknowledgment will be valid for 24 months after it is signed. I understand that no agent has the right to waive any of Forethought's rights or requirements, or to make or alter any contract or policy. I agree that my statements and answers to the questions in this application are complete and true to the best of my knowledge and belief and are the basis for issuing a policy.

By this application I am applying to Forethought for:

A Medicare supplement insurance policy. I understand that, (a) upon acceptance of the completed application, each applicant will receive a separate policy; (b) my policy benefits can start no earlier than my Medicare effective date(s), my first month's premium has been received and/or processed and my application has been approved by Forethought.

A Life insurance policy. I understand that, (a) no insurance will take effect until the premium has been paid and a policy has been issued while the Insured is living, the first premium has been paid, and my insurability as stated in this application remains unchanged; (b) acceptance of the life insurance policy issued on this application shall constitute agreement to any correction or amendment of this application made by Forethought and noted on this application; (c) no change in amount, age at issue, plan of insurance or benefit applied for shall be made unless agreed to in writing by me; and (d) during the contestable period, Forethought has the right to rescind any life insurance policy issued upon statements or answers in this application that are not correct.

I understand that any person who, knowingly and with intent to defraud any insurance company or other persons, files an

application for insurance or statement of claim containing any materially false information, or conceals for the purpose of misleading, concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

### **IMPORTANT NOTICE:** REPLACEMENT OF LIFE INSURANCE BATESVILLES, INDIANA 47006 **OR ANNUITIES**

FORETHOUGHT LIFE INSURANCE COMPANY ONE FORETHOUGHT CENTER INSURANCE — 800/331-8853 ANNUITIES — 877/244-7526

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant. You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

#### LIFE INSURANCE AND ANNUITIES REPLACEMENT MODEL REGULATION

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

**PREMIUMS:** Are they affordable?

Could they change?

You're older—are premiums higher for the proposed new policy?

How long will you have to pay premiums on the new policy? On the old policy?

**POLICY VALUES:** New policies usually take longer to build cash values and to pay dividends.

Acquisition costs for the old policy may have been paid, you will incur costs for the new one.

What surrender charges do the policies have?

What expense and sales charges will you pay on the new policy?

Does the new policy provide more insurance coverage?

**INSURABILITY:** If your health has changed since you bought your old policy, the new one could cost you

more, or you could be turned down.

You may need a medical exam for a new policy.

Claims on most new policies for up to the first two years can be denied based on

inaccurate statements.

Suicide limitations may begin anew on the new coverage.

#### IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

How are premiums for both policies being paid?

How will the premiums on your existing policy be affected?

Will a loan be deducted from death benefits?

What values from the old policy are being used to pay premiums?

#### IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

Will you pay surrender charges on your old contract?

What are the interest rate quarantees for the new contract?

Have you compared the contract charges or other policy expenses?

#### OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

What are the tax consequences of buying the new policy?

*Is this a tax free exchange? (See your tax advisor.)* 

Is there a benefit from favorable "grandfathered" treatment of the old policy under the

federal tax code?

Will the existing insurer be willing to modify the old policy?

How does the quality and financial stability of the new company compare with your

existing company?

If, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history.
