Your Select Plan care benefits

Medicare Part A hospital coverage

Deductible – When you use a network hospital, the \$1,132 inpatient hospital deductible for each benefit period is a covered benefit under the policy. If you choose a non-network hospital, you are responsible for the Medicare Part A deductible. Of course, if you need emergency care, you will not be responsible for the deductible.

First 60 days – After the Part A deductible, Medicare pays all eligible expenses for services from your first through 60th day of hospital confinement. Services include semi-private room and board, general nursing and miscellaneous hospital services and supplies.

Coinsurance – Select Plans C, F, G and N pay \$283 a day when you are hospitalized from the 61st day through the 90th day. When you are hospitalized from the 91st day through the 150th day, the Select Plans pay \$566 a day for each Lifetime Reserve day used.

Extended hospital coverage – If you are in the hospital longer than 150 days during a benefit period and you have exhausted your 60 days of Medicare Lifetime Reserve, Select Plans C, F, G and N pay the Part A Medicare eligible expenses for hospitalization, paid at the same rate Medicare would have paid had Medicare Part A hospital days not been exhausted, subject to a lifetime maximum benefit of an additional 365 days.

Benefit for blood – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Select Plans C, F, G and N pay the deductible.

Skilled nursing facility care – Medicare pays all eligible expenses for the first 20 days. Select Plans C, F, G and N pay up to \$141.50 from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare certified skilled nursing facility within 30 days of being hospitalized for at least three days.

Hospice care – Medicare pays all but a very limited coinsurance for outpatient drugs and inpatient respite care. Select Plans C, F, G and N pay the coinsurance.

Medicare Part B physician services and supplies

Deductible – Select Plans C and F pay the \$162 calendar-year deductible.

Coinsurance – After the Part B deductible, Select Plans C, F, G and N generally pay 20% of Medicare approved expenses for physician's services, supplies, physical and speech therapy, and ambulance service.

After the Part B deductible, Plan N generally pays 20% of the eligible expenses for physician's services, supplies, physical and speech therapy, and ambulance services except up to a \$20 copayment for office visits and up to a \$50 copayment for emergency room visits.

For hospital outpatient services, the copayment amount will be paid under a prospective payment system. If this system is not used, then generally 20% of eligible expenses will be paid.

Excess benefits – Your bill for Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Select Plan F pays 100% up to the charge limitation established by Medicare. This benefit would apply when you receive services outside the network, or services from providers that are allowed to balance bill.

Benefit for blood – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Select Plans C, F, G and N pay the deductible.

Other benefits*

Emergency care received outside the U.S. – After you pay a \$250 calendar-year deductible, Select Plans C, F, G and N pay you 80% of eligible expenses incurred during the first 60 days of a trip up to a lifetime maximum of \$50,000. Benefits are payable for health care you need because of a covered injury or illness. Emergency care is care needed immediately because of an injury or an illness of sudden and unexpected onset.

*Refer to the next page and your Outline of Coverage for more information.

Forethought® Medicare Select Plans

A Forethought® Select Medicare Supplement insurance policy helps pay eligible expenses not paid for by Medicare Part A and Medicare Part B. There may be charges that exceed what Medicare and your Select Medicare Supplement insurance policy will pay.

“Medicare Eligible Expenses” means expenses covered by Medicare to the extent recognized as reasonable and medically necessary by Medicare.

Forethought Select Medicare Supplement Plans will not pay for the following exceptions and limitations:

- Any expense incurred before your Policy Date
- Hospital or skilled nursing facility confinement incurred during a Medicare Part A benefit period that begins while this policy is not in force
- Expenses paid by Medicare; services for non-Medicare eligible expenses
- Services for which no charge is made when there is no insurance
- Loss or expense that is payable under any other Medicare Supplement insurance policy or certificate
- The Medicare Part A inpatient hospital deductible amount when you are confined in a non-network hospital, except in an emergency

Medicare Part A Eligible Expenses for hospital/skilled nursing facility care include expenses for semi-private room and board, general nursing and miscellaneous services and supplies.

A **Benefit Period** begins the first full day you are hospitalized and ends when you have not been in a hospital or skilled nursing facility for 60 consecutive days.

Medicare Part B Eligible Expenses for medical services include expenses for physician’s services, hospital outpatient services and supplies, physical and speech therapy, and ambulance service.

Coinsurance is the portion of the eligible expense not paid by Medicare and paid by Select Medicare Supplement Plans.

A “Network Hospital” means a hospital which has agreed to participate in the Hospital Network. **Only certain hospitals are network providers under this policy. Check with your physician to determine if he or she has admitting privileges at the network hospital. If he or she does not, you may be required to use another physician at time of hospitalization or you will be required to pay for all expenses.**

Benefits are paid to you, your hospital or doctor.

You have 31 days from your renewal date to pay your premium. Your policy will stay in force during this 31-day grace period.

Your Policy is guaranteed renewable. Your policy cannot be canceled. It will be renewed as long as the premiums are paid on time and the information on your application is correct.

Coverage Outside of Service Area will not continue under your current Plan. If you move out of the service area, you will have the opportunity to purchase any Medicare Supplement policy with comparable or lesser benefits offered by the insurer or Medicare Supplement/Select plans A, B, C or F from any insurer, within 63 days of termination.

You cannot be singled out for a rate increase no matter how many times you receive benefits. Your premium changes only (a) each year on the renewal date coinciding with or following the anniversary of your Policy Date until you reach age 99; and (b) when the same premium change is made on all in force Forethought Select Medicare Supplement policies of the same form issued to persons of your classification in the same geographic area of your state.

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need more than one type of coverage in addition to your Medicare benefits.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

FORETHOUGHT LIFE INSURANCE COMPANY
ONE FORETHOUGHT CENTER
BATESVILLE, INDIANA 47006
INSURANCE — 800/331-8853
ANNUITIES — 877/244-7526

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant. You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ☐ YES ☐ NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐ YES ☐ NO

If you answered **"Yes"** to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

LIFE INSURANCE AND ANNUITIES REPLACEMENT MODEL REGULATION

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS: *Are they affordable?*
 Could they change?
 You're older—are premiums higher for the proposed new policy?
 How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES: *New policies usually take longer to build cash values and to pay dividends.*
 Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
 What surrender charges do the policies have?
 What expense and sales charges will you pay on the new policy?
 Does the new policy provide more insurance coverage?

INSURABILITY: *If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.*
 You may need a medical exam for a new policy.
 Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
 Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:
 How are premiums for both policies being paid?
 How will the premiums on your existing policy be affected?
 Will a loan be deducted from death benefits?
 What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:
 Will you pay surrender charges on your old contract?
 What are the interest rate guarantees for the new contract?
 Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:
 What are the tax consequences of buying the new policy?
 Is this a tax free exchange? (See your tax advisor.)
 Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
 Will the existing insurer be willing to modify the old policy?
 How does the quality and financial stability of the new company compare with your existing company?

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant. You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ☐ YES ☐ NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐ YES ☐ NO

If you answered ***“Yes”*** to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE
OR MEDICARE ADVANTAGE**

Forethought Life Insurance Company
Administrative Office
P.O. Box 14659 • Clearwater, FL 33766-4659

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage coverage and replace it with a policy to be issued by Forethought Life Insurance Company. Your new policy will provide 30 days within which you may decide without cost whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. Terminate your present policy or Medicare Advantage coverage only if, after due consideration and acceptance by the replacing insurer, you find that the purchase of this Medicare supplement coverage is a wise decision. You should evaluate the need for other accident and sickness coverage you have that may duplicate the benefits provided under this policy.

STATEMENT TO APPLICANT BY ISSUER

I have reviewed your current medical or health coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reasons:

- ☐ Additional Benefits,
 - ☐ Same benefits but lower premiums,
 - ☐ Fewer benefits and lower premiums,
 - ☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D,
 - ☐ Disenrollment from a Medicare Advantage plan.
 - ☐ Please explain reason for disenrollment.
-
- ☐ Other - (specify)
-

I call to your attention the following items for your consideration:

- (1) Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
- (2) State law provides that your replacement policy or certificate may not contain new pre-existing conditions waiting periods, elimination periods, or probationary periods. The insurer will reduce any time periods applicable to pre-existing conditions waiting periods, elimination periods, or probationary periods in the new policy (or coverage) to the extent such time was spent (depleted) under the original policy.

(3) If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the issuer to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, read and review it carefully to be certain that all information has been properly recorded.

(4) Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

Medicare SELECT Disclosure Statement

UNDERSTANDING MEDICARE SELECT

Offered and underwritten by Forethought Life Insurance Company. Medicare SELECT supplement insurance plans offer attractive premiums in exchange for Your commitment to use Network Hospitals whenever possible.

Only certain Hospitals are network providers under this policy. Check with Your Physician to determine if he or she has admitting privileges at the Network Hospital. If he or she does not, You may be required to use another Physician at time of hospitalization or You will be required to pay all expenses.

NETWORK HOSPITAL RESTRICTIONS

When You require health care services in a Hospital on an inpatient basis, You may choose any Hospital You wish. However, benefits under the Inpatient Hospital Confinement Deductible Benefit provision are conditioned on whether You use a Participating Hospital or a Non-Participating Hospital. If You use the services of a Participating Hospital, the Medicare Part A inpatient Hospital deductible amount will be waived by the Hospital. If You use the services of a Non-Participating Hospital, the Hospital will not waive, and we will not pay, the Medicare Part A inpatient Hospital deductible amount, unless:

- (1) You are hospitalized for symptoms requiring Emergency Care or hospitalization is immediately required for an unforeseen Sickness, Injury or condition;
- (2) it is not reasonable for You to obtain services through a Participating Hospital; or
- (3) You require covered services that are not available through a Participating Hospital.

These Network Hospital Restrictions apply only to the Inpatient Hospital Confinement Deductible Benefit. These restrictions do not apply to any other benefit in Your policy

We do not supervise, control or guarantee the health care services of any Hospital, whether it is a Participating Hospital or a Non-Participating Hospital.

EMERGENCY CARE

Emergency Care means emergency services provided after the sudden onset of a medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in:

- (a) Placing the patient's health in serious jeopardy;
- (b) Serious impairment to bodily function; or
- (c) Serious dysfunction of any bodily organ or part.

Emergency Care is available twenty-four (24) hours per day and seven (7) days per week

REFERRALS

There are no restrictions on referrals to other hospitals if You obtain prior certification from Your Physician or health care provider that the services are not available at a Network Hospital. Additionally, there are no restrictions on referrals for outpatient providers regardless of whether that provider is in the service area.

AVAILABILITY OF OTHER MEDICARE SUPPLEMENT PLANS

Forethought Life Insurance Company offers Medicare Supplement Plans A, C, F, G and N. Any of these plans are available for You to purchase now or at any time You wish to convert from a Medicare SELECT plan. You also have the right (but are not required) to convert to any Medicare Supplement policy Forethought Life Insurance Company has available with comparable or lesser benefits if (1) the Medicare SELECT program is discontinued, or (2) THE AGREEMENTS BETWEEN Forethought Life Insurance Company and all Network Hospitals in Your service area are terminated. A Medicare supplement policy will be considered to provide comparable or lesser benefits unless it contains one or more significant benefits not included in this Medicare Select Policy. For purposes of this provision, a significant benefit means coverage for the Medicare Part A deductible, or coverage for Part B excess charges.

You may also convert Your policy if You move outside the Service Area and Your new residence is not within a reasonable travel distance of a Network Hospital. Although You are not required to convert Your policy in this instance, You will be responsible for Payment of the Medicare Part A inpatient Hospital deductible if You use a Non-Network Hospital for scheduled admissions.

If You choose to convert Your policy to a Medicare Supplement policy, You will not need to provide evidence of insurability if Your policy has been in force for at least six (6) months.
