Your Care Benefits

Medicare Part A Hospital Coverage

The Forethought® Standard Medicare Supplement Plan pays the \$1,132 Part A (inpatient) deductible for Plans C, F, G and N for each benefit period.

First 60 days – After the Part A deductible, Medicare pays all eligible expenses for services from your first through 60th day of hospital confinement. Services include semi-private room and board, general nursing and miscellaneous hospital services and supplies.

Coinsurance – Plans A, C, F, G and N pay \$283 a day when you are hospitalized from the 61st day through the 90th day. When you are hospitalized from the 91st day through the 150th day, the Plans pay \$566 a day for each Lifetime Reserve day used.

Extended hospital coverage – If you are in the hospital longer than 150 days during a benefit period and you have exhausted your 60 days of Medicare lifetime reserve, Plans A, C, F, G and N pay the Part A Medicare eligible expenses for hospitalization, paid at the Diagnostic Related Group (DRG) day outlier per diem or other appropriate standard of payment, subject to a lifetime maximum benefit of an additional 365 days.

Benefit for blood – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Plans A, C, F, G and N pay the deductible.

Skilled nursing facility care – Medicare pays all eligible expenses for the first 20 days.

Coinsurance – Plans C, F, G and N pay up to \$141.50 from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare certified skilled nursing facility within 30 days of being hospitalized for at least three days.

Hospice care benefit – Plans A, C, F, G and N pay the copayment/coinsurance amount for all Part A Medicare eligible hospice care and respite care expenses.

Medicare Part B Physician Services and Supplies

Deductible – Plans C and F pay the \$162 calendaryear deductible.

Coinsurance – After the Part B deductible, Plans A, C, F and G generally pay 20% of eligible expenses for physician's services, supplies, physical and speech therapy, and ambulance service.

After the Part B deductible, Plan N generally pays 20% of the eligible expenses for physician's services, supplies, physical and speech therapy, and ambulance services except up to a \$20 copayment for office visits and up to a \$50 copayment for emergency room visits.

For hospital outpatient services, the copayment amount will be paid under a prospective payment system. If this system is not used, then generally 20% of eligible expenses will be paid.

Excess benefits – Your bill for Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Plan F and G will pay 100% up to the charge limitation established by Medicare.

Benefit for blood – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Plans A, C, F, G and N pay the deductible.

Other Benefits*

Agent checklist for completing the Medicare Supplement

This packet contains the following forms needed to complete a Medicare Supplement insurance application. Please tear out the **application** and all pages marked "**RETURN TO COMPANY**" and leave the remaining pages with the applicant(s). Please review the following information carefully and complete all needed forms:

Application for Medicare Supplement (Form MSAP1000-01 OR MSAPC1000-01) Medicare Supplement - If the applicant(s) is applying during Open Enrollment or a Guaranteed Issue period Section 4 is not required to be completed
Section 5 should only be completed if the applicant(s) would like his/her payments to be deducted automatically from their checking/savings account. This option only applies if premiums are paid monthly.
Calculate Your Premium — This form is used to calculate the correct life insurance premium and, in coordination with the Outline of Coverage, to calculate the correct Medicare Supplement premium. This form must be returned with the application.
Fax Transmittal — Follow the instructions on this form only if the applicant(s) elects to pay premiums using EFT and you would like to fax the underwriting documents instead of mailing them.
Authorization to Release Confidential Medical Information (Form MS-HIPAA10-01) - Must be completed only if applying outside Open Enrollment or a Guaranteed Issue period for Medicare Supplement. If a husband and wife are both applying for coverage on the same application then both must sign the form.
Notice to Applicant Regarding Replacement of Medicare Supplement Insurance or Medicare Advantage (Form MS-RN10-01) - This form must be completed if any replacement of an existing Medicare Supplement policy is involved. One signed copy must be returned to the Administrative Office and the other signed copy must be left with the applicant(s).
Investigative Consumer Report Notice to Applicant, Medical Information Bureau Disclosure Notice, Med Supplement/Select Initial Premium Receipt, and Life Insurance conditional receipt (MSREC-01) — The Initial/Conditional Premium Receipts must be left with the applicant(s) and the full modal premium is required with all applications.
ase note, you are also required to provide the applicant(s) with the following items: Guide to Health Insurance for People with Medicare Outline of Coverage (Form MSOC10-01)

Premiums and Policy Fee

Utilize the Outline of Coverage to determine Medicare Supplement premiums:

- Determine ZIP code where the client resides and find the correct rate page for that ZIP code
- Determine Plan
- Determine if non-tobacco or tobacco
- Find Age/Gender Verify that the age and date of birth are the exact age as of the application date, this will be your base monthly premium
- Use the Calculate Your Premium form to adjust the monthly premium for different modes and to add the policy fee
- A voided check needs to be submitted with the Application for EFT

There will be a one-time Medicare Supplement application fee of \$25.00 that must be collected with each applicant's initial payment. For a husband and wife written on the same application, \$50 in fees must be collected. This will not affect the renewal premiums.

IMPORTANT STATEMENTS TO BE READ BY APPLICANT IF PURCHASING MEDICARE SUPPLEMENT INSURANCE COVERAGE

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

I understand that Forethought may obtain an investigative consumer report on me and a telephone interview may be necessary to verify or supplement information given on this application. I understand that it is my right to request to be interviewed and that I may request a copy of the report if no personal interview is conducted. A photocopy of this form will be as valid as the original. This Authorization and Acknowledgment will be valid for 24 months after it is signed. I understand that no agent has the right to waive any of Forethought's rights or requirements, or to make or alter any contract or policy. I agree that my statements and answers to the questions in this application are complete and true to the best of my knowledge and belief and are the basis for issuing a policy.

By this application I am applying to Forethought for a Medicare supplement insurance policy. I understand that, (a) upon acceptance of the completed application, each applicant will receive a separate policy; (b) my policy benefits can start no earlier than my Medicare effective date(s), my first month's premium has been received and/or processed and my application has been approved by Forethought.

I understand that any person who, with intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a false or deceptive statement is guilty of insurance fraud and may be subject to penalties including imprisonment, fines, and denial of insurance benefits.

Notice to Applicant regarding replacement of Medicare Supplement insurance or Medicare Advantage SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to terminate existing Medicare Supplement insurance or Medicare Advantage and replace it with a policy to be issued by Forethought Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that the purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

If, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for any company to deny any future claims and to refund your premium as though your policy had never been in force.
