

## Profile

# Kaiser Permanente South Bay Medical Center

*Size: 28,600 Square Feet*

*Location: Harbor City, California*

## **Challenge** Facility Open 24 Hours a Day

- Needed a twenty year warranted system without tearing off the existing assembly.
- Failing BUR with volcanic rock gravel.
- Installation could not involve excessive noise or fumes from hot tar or adhesives.

## **Solution** AcryShield® SPF Roofing System

- 20 year AcryShield SPF Roofing System with White Armor™ Roofing Granules.
- System was directly applied over properly prepared BUR without the need to tear-off the existing roofing plies.
- System offers additional insulation and sound dampening value.

*National Coatings AcryShield SPF Roofing System was applied without disrupting operations at the facility. They were able to provide Kaiser Permanente with a 20 year warranty for their new roof.*
