Telephone Handsets are used as hand held exhibit speakers for exhibit audio from audio message repeaters, VCR's or other audio equipment. The mechanism in the mouthpiece is removed to simplify hookup.

Mount the Telephone Handset on a Telephone Holder (T501) or Telephone Holder with a Switch (T502) that signals a remote audio start when the handset is removed from the holder.

Telephone Handsets and Holders are available in white or black. An armored cord is available on special order.

Telephone Handsets with volume control are available on special order.

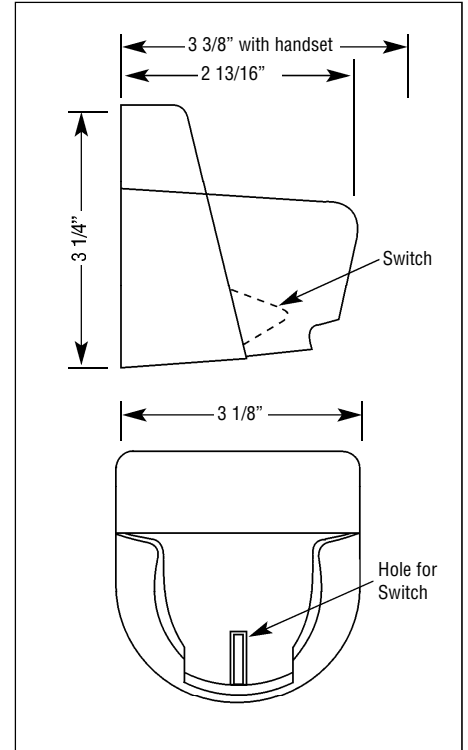

Dimensions: 8 1/2" X 2 3/8" diameter.

Weight: 10 oz. with cord.

Coil cord: 6' long, two conductor tinsel, vinyl coated.

Termination: Spade lugs, optional 1/4" plug.

Speaker: Metal diaphragm, 80 ohm impedance
