The Silver Lining Stage dedicated

WEST BEND, WI (September 16, 2011) – Members of the Regner Park Revitalization Committee recently posed on The Silver Lining Stage, the new Regner Park outdoor performance stage. The stage was built with a contribution from West Bend Mutual Insurance Company and opened early this summer.

“West Bend Mutual Insurance is very pleased to contribute to the revitalization of such a historic West Bend property,” said John Duwell, executive vice president and chief legal officer. “Regner Park has been a significant part of this community for several generations and will continue to be for many generations to come. We hope the Silver Lining stage will keep bringing families and our community together in celebration.”
